

# SPREAD THE LOVE THIS FEBRUARY WITH UNIQUE DATE NIGHTS & HOME CARE TIPS

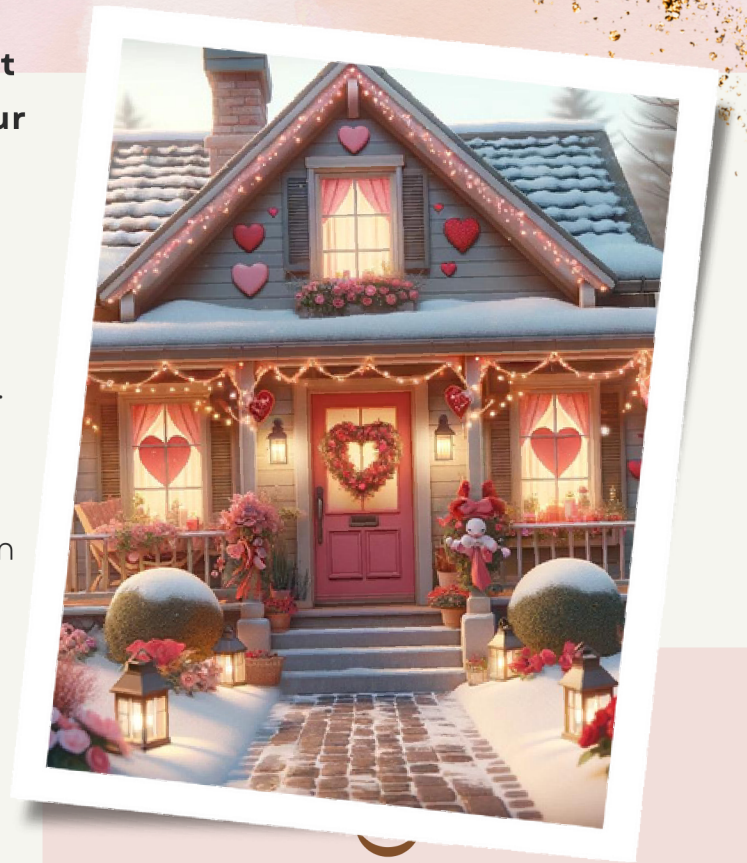

As the season of love blossoms, it's the perfect time to not only express your affection for your loved ones but also to show some love to the place you call home.

**Love Your Home:** February Tips for Preventive Maintenance Before we dive into the romance, let's ensure our homes are feeling the love too. This month, take a little time to:

- Inspect and clean your HVAC filters.
- Check for any drafty windows and seal them up.
- Show your water heater some care by checking its pressure valve.

**Local Love:** Support Your Community by Visiting These Romantic Spots

- **Cozy Cafés:** Discover a new local café where you can enjoy a warm beverage and good conversation.
- **Outdoor Adventure:** Take a scenic hike or a leisurely walk in a nearby park, and enjoy the beauty of nature together.
- **Visit a Local Winery or Brewery:** Spend an afternoon tasting local wines or craft beers. Many offer special Valentine's Day events or tastings.
